Trish,

I just wanted to say thank you again for everything. I was so surprised when you had an offer on my house in 7 days after you listed it. Like I told you we had my house on the market over 6 months before you called saying to give you a try and you (definitely) done what you said you would, also you walked me through everything I had to do. ~~Again~~ Again: if I ever need to sell another house I will for sure call you for assistance with this. I hope you have a great year with the house market, I have no doubt that you will.
