

2-14-10

Trish is awesome. We were very happy with the way she handled the sale of our home. She was constantly in touch with us with feedback from showings and advice on attracting interest. We would highly recommend her as an agent and look forward to finding our new home with her by our side. Our home was on the market for 37 years with other companies but <sup>after</sup> only 3 months with Trish we received an offer we couldn't refuse.

Jon & Ann Davis

Thanks

Cedargate
